STAT

As your summer assignment draws to a close, allow me to thank you for the outstanding work you have done for the USSR Division. Especially appreciated is the fact that you filled in so well as the division secretary during a staffing shortage. It is due to your readiness to help that the division was able to continue its work as usual.

Your colleagues enjoyed working with you and they join me in wishing you the best as you start your first year at James Madison University.

Sincerely,

Deputy Director
